UNIVERSITY HIGH SCHOOL

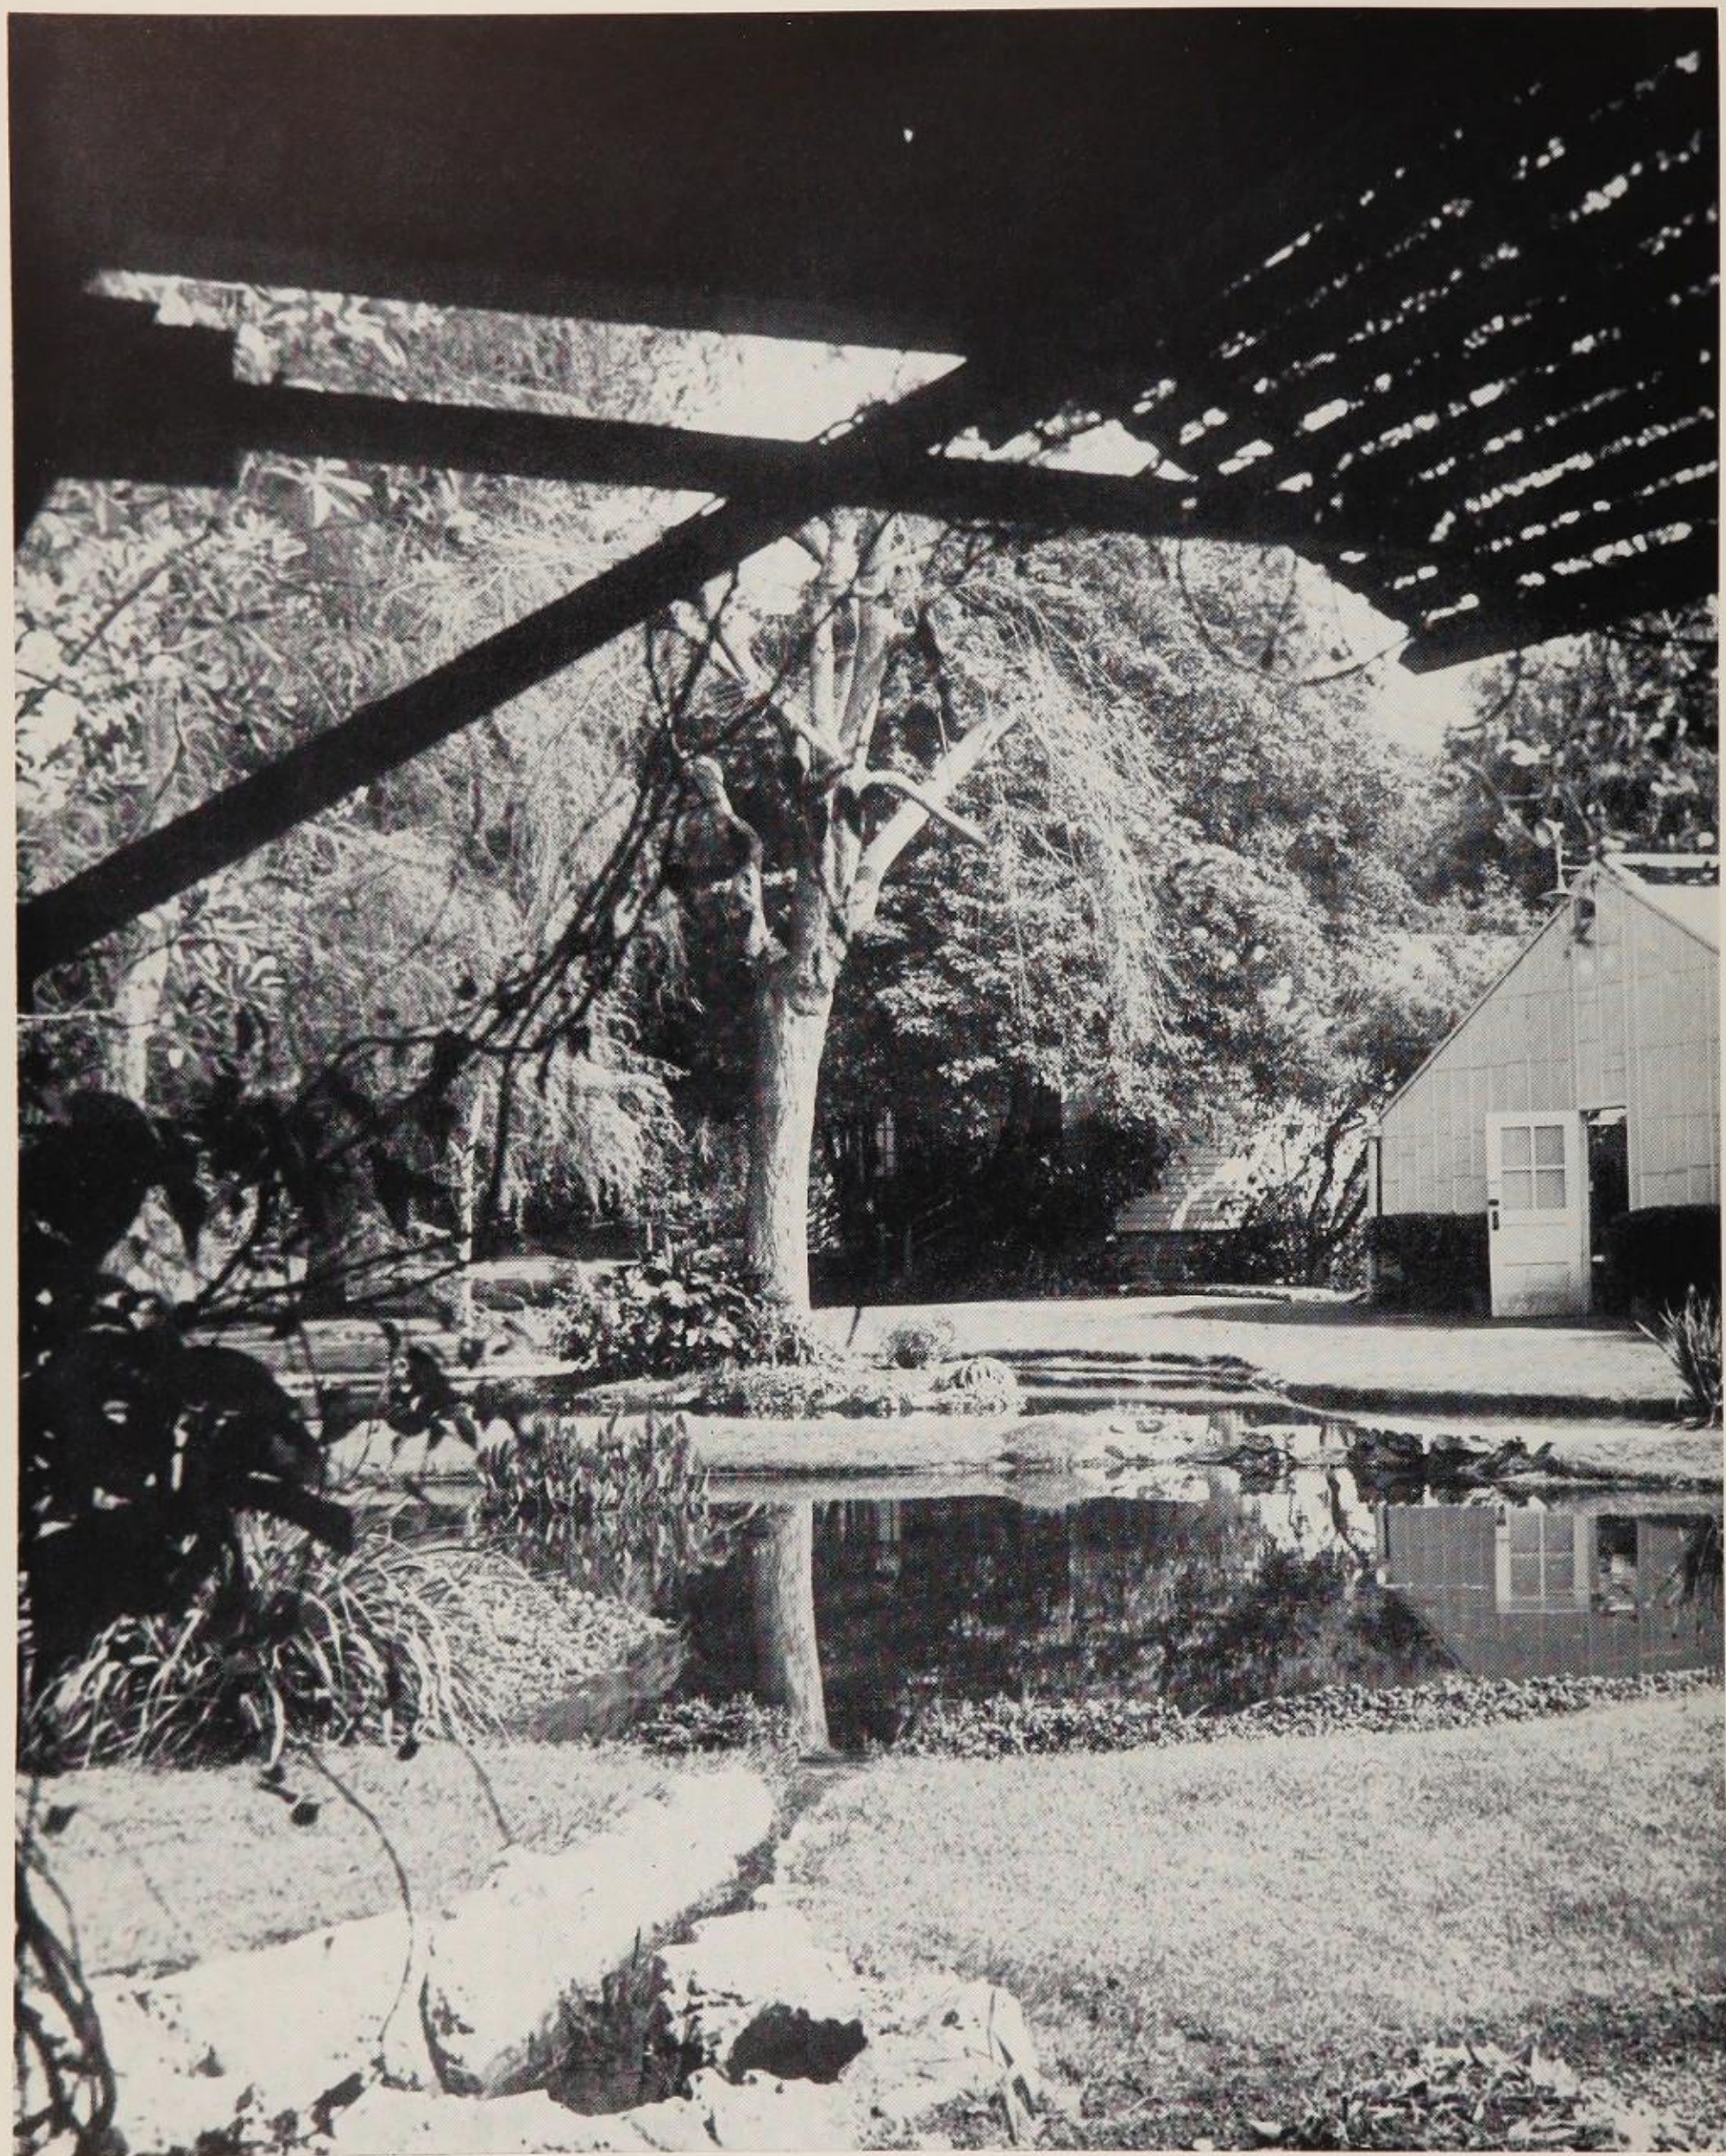

CHIEFTAIN

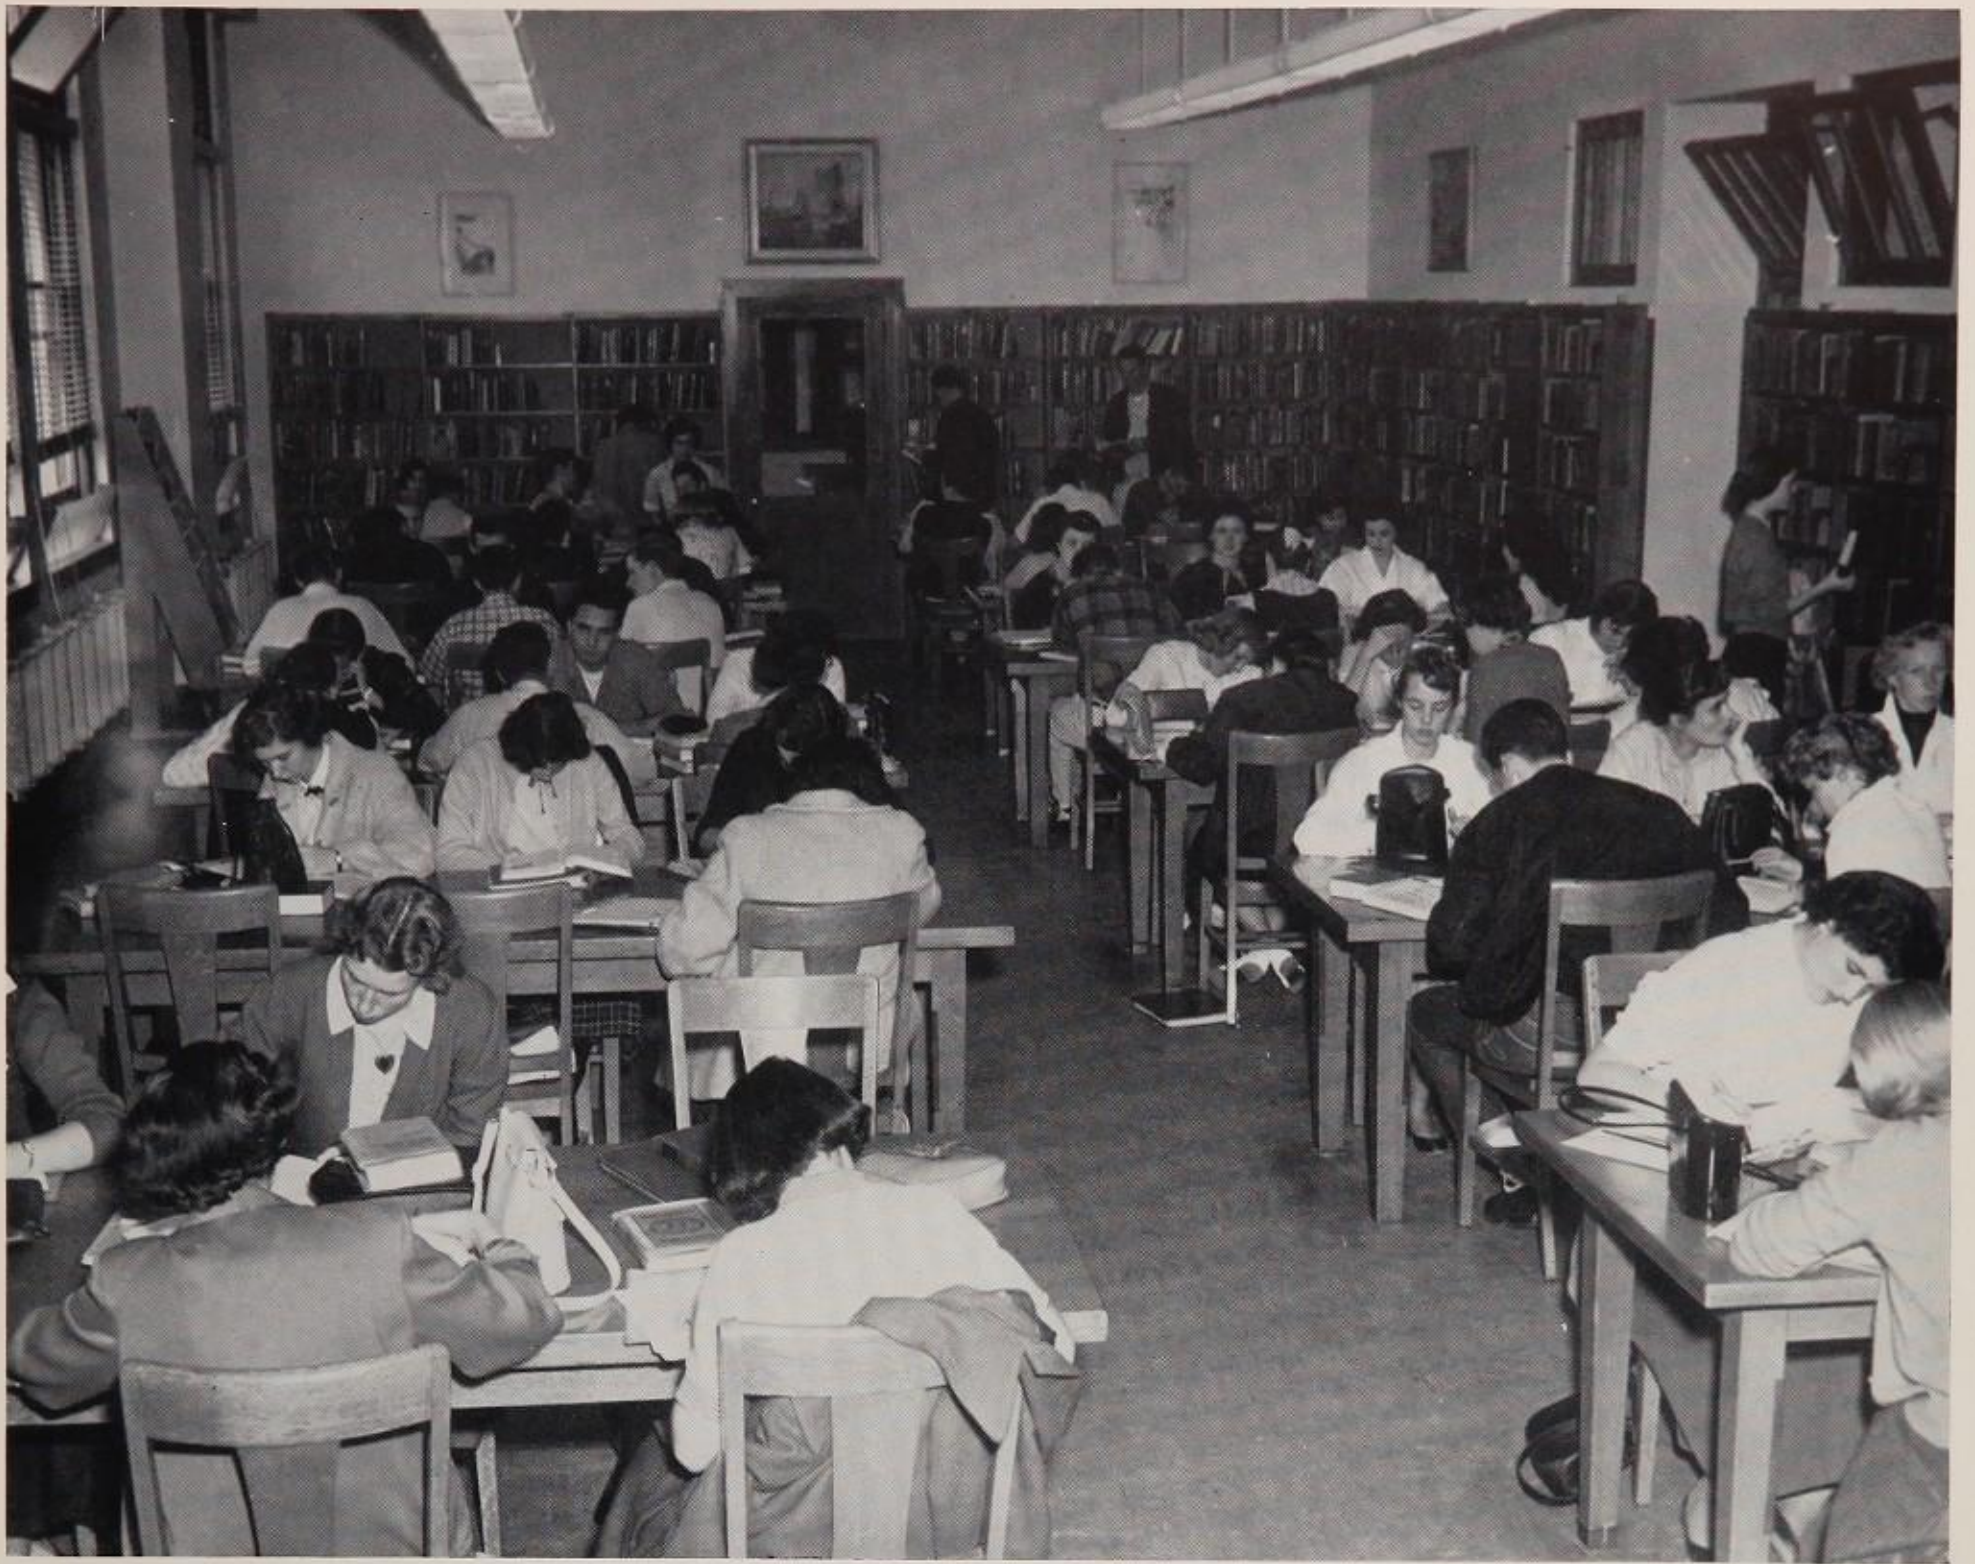

PUBLISHED BY THE STUDENTS OF
UNIVERSITY HIGH SCHOOL
JUNE, NINETEEN HUNDRED AND
FIFTY-FIVE
WEST LOS ANGELES, CALIFORNIA

To a gracious lady, who through her keen enjoyment of life, her laughter and fun, her sincere love of people, her wise counseling, her blithe spirit, has endeared herself to University High School — to Helen Marvin Darsie we lovingly dedicate this book.

Preparation, the endless efforts of students and faculty working together toward a goal, builds the traditions and spirit of our school. This application of knowledge and skills makes possible the honors, achievements, and activities which represent the lasting effects of education. Not only have individuals changed during the past year, but even the campus, in order to meet the requirements of future Uniites, has grown with the addition of a new shop building and bookroom and the redecoration of the main offices. Just as the workmen placed brick upon brick and board upon board to create these new structures, the actions of today will produce the accomplishments of tomorrow. Thus preparation, that foundation upon which success is built, is the theme of the 1955 Chieftain.

With Al Green and Bob Dann as Presidents, and Mrs. Goodwin as sponsor, both spring and fall Boards of Commissioners did an outstanding job this year, leading the student body through many successful activities. One of the main goals of the past year has been the revision of the Student Constitution, which has made the Student Court a legal part of the governmental system. Another goal accomplished by the students was making the Student Council function as an efficient part of Uni High government.

Fall Girls' League President, Kathy Larrecq, led in the planning of two assemblies and all Board activities, and under the guidance of Pat Petru during the spring, the Girls' League Cabinet promoted a highly successful Girls' Week as well as a special assembly for Miss Helen Darsie.

These accomplishments have helped make this year a successful and memorable one for the entire student body. More important, the striving for these goals will prepare us for future unity and success.

The service organizations, Girls' and Boys' Leagues, and the Student Council, give opportunity for social and political experience. The Tenth Grade Council gives younger students a chance to express themselves in a new environment and prepare themselves to run for higher offices in their future years at Uni. Their careful work and planning brought about the re-organization of the Campus Clean-up Committee, and the reviving of school spirit.

Hard-working Warrior and

The University High Warrior has made its last year, under the advisership of Mr. Arthur Jamison, a creditable one. Last September a new system of editorships was adopted as the semester got under way. The Graduation edition was the highlight of the fall term as the staff waited expectantly for the spring semester's executives to be chosen. With the appointment of the co-editors, the front page, heretofore assumed by the editors-in-chief, was given to John Klempner and Judy Salkow. Advertising, a very important factor in the success of a paper, was given a big boost by Rosine Reynolds, Commissioner of Publications. The color day issue, open house edition and graduation number were especially outstanding in one of the most successful years of Warrior history.

Chieftain Staffs Record Happenings

Through the combined efforts of the Art Illustration class and the Chieftain Staff, the planning for the '55 Chieftain began early last September. Not until the spring semester was under way was our editor-in-chief Sandi Appleman chosen. United by her, the Annual Production class worked diligently to create the year book.

Special credit should be given to Dugald Stermer for his clever division pages and end sheets, to Tom Yasuda for his division page work, and to Owen Hahn for the cover design.

Special appreciation goes to the many people who have helped produce our year book—to Mr. Joe Hesslein and his crew of photographers for taking all pictures with the exception of the individual pictures of the Seniors, and to Miss Billie Addison and her helpers for directing the sale and distribution of the '55 Chieftain.

CONCERT BAND

Music Sets the Mood

Unihi's band, under the direction of Mr. S. Spano, this year as in the past, brought many honors to our school. In the Los Angeles City Festival and the Southern California-Arizona Festival, the Concert Band received superior ratings both in concert playing and sight reading.

Another event in the Music Department's spring calendar was the presentation of "New Moon" through the combined efforts of the orchestra, soloists, and choir. During the fall semester, this choir, under the direction of Mrs. E. Provan, attended the invitational Choir Festival at Eagle Rock High and gave a prize-winning performance. Uniites also remember the fine Hi-Y, Tri-Y Chapel and assembly music provided by the Girls' and Boys' Glee. Boys' Glee is directed by Mr. G. Purnell.

This year HI-Y has the largest number of clubs in the history of University High School. These clubs have grown to their present number from the small group started by Mr. J. Contributing much to the memories of many students, in these last semesters HI-Y has participated in the planning of dances and in the organization of many school affairs.

Footballers Worked

University's small squad of footballers enjoyed its best season's play in many a year and finished fourth in league play. Sparked by All-League and All-City player, Jim Schuler; All Western League player, Captain Steve Gertsman; and Dan O'Brien, the Braves went on to win four, tie one, and lose three.

The Warrior eleven inspired a spirited student body on its home grounds by defeating Washington, the Southern League favorites. Minichello's masterful job of pass intercepting in the fourth quarter pulled the game out of the fire, as the Braves went on to score two touchdowns during that period. Jim Schuler showed one and all that he was not to be taken lightly during the '54 season, and his performance, coupled with the two extra points from the toe of Dan O'Brien, sent Uni on to win 14 to 7.

to Improve Season

The undermanned Braves again showed their strength when they tied Banning, the Marine League favorites, 0 to 0. During the course of the game, Banning saw two of its touchdowns called back, when 1953 City Player of the year, Dick Garcia, attempted to talley. However, Garcia didn't have the show to himself. Just before the first-half came to an end, Jim Schuler scampered 60 yards, only to have Bannings hold on its own six yard line.

Uni fans cheered at Van Nuys, where the Milk Bowl was played. Ball control was the key factor in winning this one, as linemen like Jerry Wright, Bill Willingham, Chris Benjamin, Don Aves, Owen Hahn and Bruce Hulbert allowed the Wolves only one offensive play during the first quarter. Steve Gertsman turned out to be the hero of the game when he blocked a Van Nuys' point after touchdown in the fourth quarter. Thanks to Steve, Uni ended up on the long end of a 14 to 13 game.

Benjamin, Burroughs, Minichello and O'Brien suit-up for the game.

Next came a red-hot Dorsey team determined to end Uni's winning streak. To make matters worse Uni contributed to this dilemma by playing what many feel was their poorest game of the season. The only thing that Uni fans could cheer about was an 85 yard run on the part of Jim Schuler. However, it was far from enough as Dorsey handed Uni its first defeat in the form of a 25 to 7 game.

Next on the list came Venice, a team that was determined to make it two losses in a row for the Braves, and Venice proved to be a little more than Uni could handle. When the dust had settled, Richard Hernandez had run for a touchdown and passed to Jim Schuler for another. The score was, however, Uni 13, Venice 33.

Hamilton regretted ever getting up the morning of the day they played Uni. I imagine the name of Jim Schuler will make the loyalist Yankee fan give a look of disgust. After all, Jim only contributed six touchdowns to the massacre type score that Uni had rounded up at the game's conclusion. Richard Hernan-

S. Minichello speeds around left end

Hernandez carries for a touchdown

dez continued to help Uni's touchdown cause by throwing for four touchdowns. When Uni fans finally caught their breath, they found out: Jim Schuler had broken the old scoring record of 57 points; Uni had intercepted 12 passes; Hamilton had out first-downed Uni 12 to 7; and finally that Uni won the game 82 to 7. It had been a great game for Uni fans, and along with the win they will never forget Minichello's 66 yard run in the fourth quarter.

In the Fairfax game Schuler took up where he left off in the Hamilton game. Even though the goal line was covered with mud, Jim was able to find it five times, and with Hernandez and Rodriguez scoring, Uni picked up another win. The score—19 to 44.

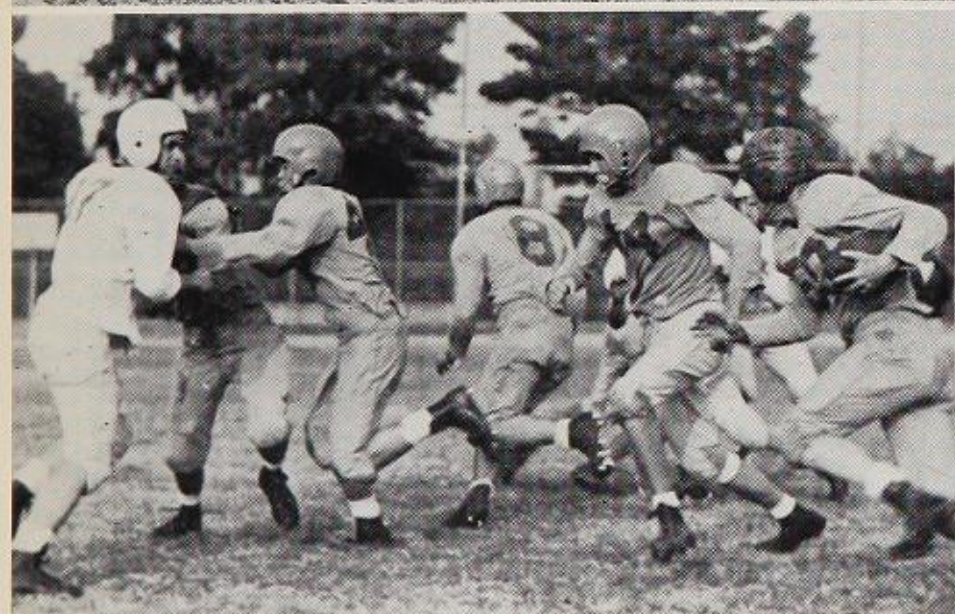

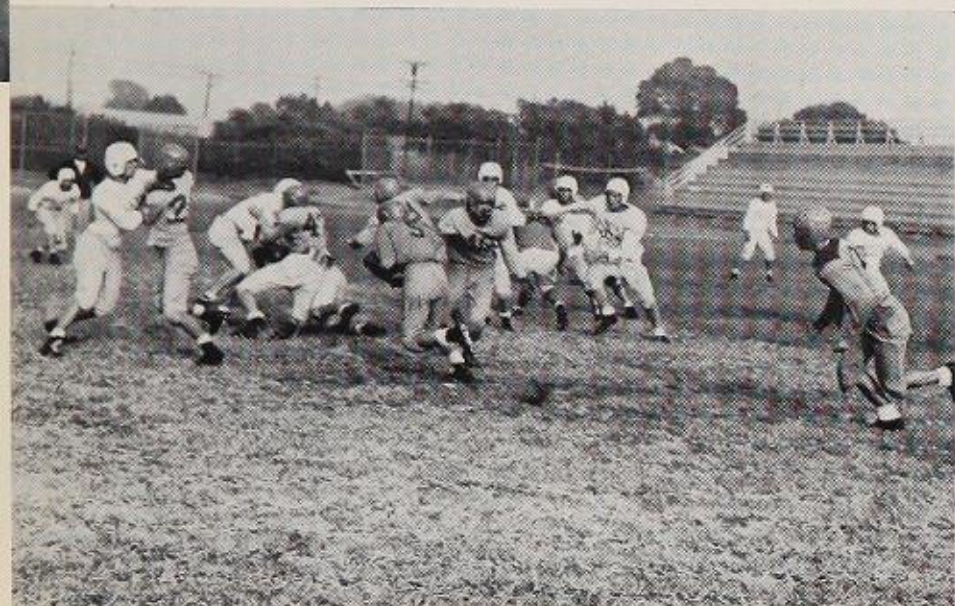

Los Angeles was a heart breaking end to the Braves' season. Uni played one of its best all around games and would have tied if not won it, but penalties throughout the afternoon made the game for Uni a hopeless cause. Thus with a score of 13 to 7 the Braves closed their courageous season.

COACH MARVIN

Cagers Teamwork

Again this year, Uni proved its basketball team is tops! The Uni Warriors with a seven-win, one-loss record brought the Western League Championship to the reservation for the second straight year. In the first game of the City Tournament, team coordination produced a 56-48 win for Uni against the Roosevelt Roughriders, and Uni's hoopsters forced the Lincoln team to bow to its first defeat in the second round. Later, although Jefferson applied a beautiful court press to edge Uni 71 to 68 in the Quarter-finals, the Warriors went on to place third in the city by overpowering Manual Arts.

VARSITY BASKETBALL TEAM

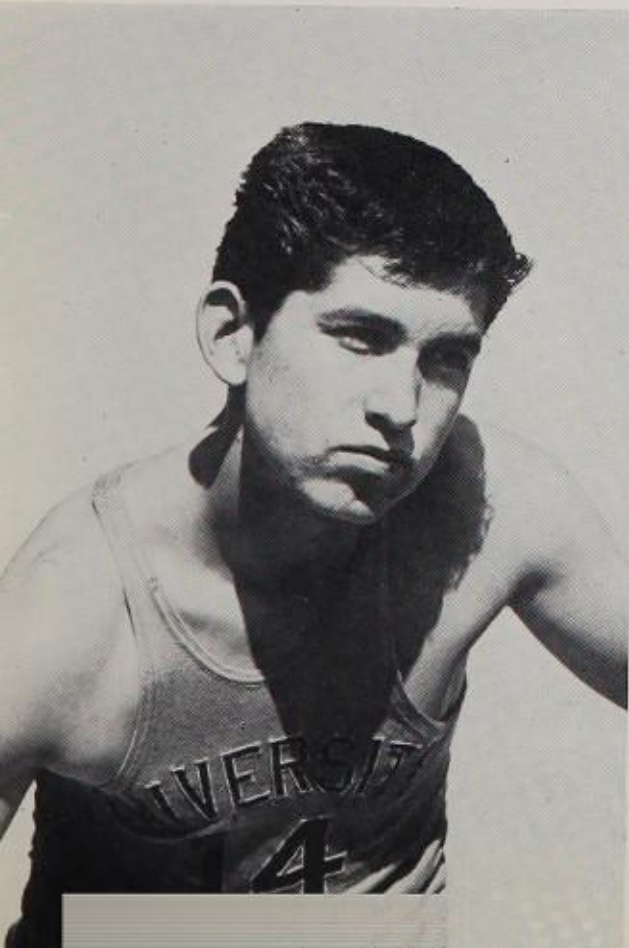

Wins Praise

With the excitement of the season over, all of Uni waited for the naming of Helms' City Player of the Year, an honor captured by Don Pino. Possessing a tremendous offensive power, Don raised the school scoring record by pushing in 42 points against Los Angeles. He also broke the city record for points in a season with 401 and set a tourney record for guards at 30. Doug Warren, as the year's playmaker and morale builder, joined Pino to place on the all-league squad while Kelly Johnson landed a berth on the Western league second team. Under the able leadership of Coach Jerry Marvin, the Uni aggregation, showing great teamwork, brought Uni a highly praised and respected basketball team.

Netmen Build Toward Championship

With Jerry Marvin as coach, Roger Werksman and Norman Perry in key positions, and plenty of competition and enthusiasm, the '55 season could easily be another championship year for the tennis team.

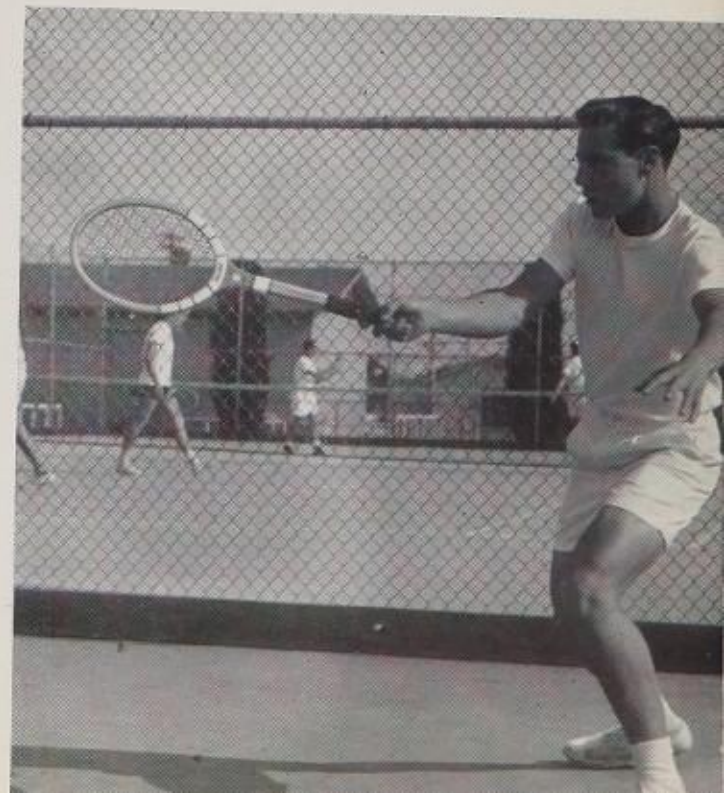

As we go to press the netmen are about to embark on their '55 campaign. As it lines up at the present time, the ranking of the team could follow this order. First and second place will be hotly contested for by Perry and Werksman, as each has beaten the other an equal number of times. Third place brings us a bright newcomer, Goulden Lloyd. Fourth place will be fought for by Rawson Lloyd, who could make it quite tough for his brother, Goulden, along with Perry and Werksman to stay in their respective positions. The remaining places should see a battle between Richard Mosk, John Klemper, Chris Barker, and Richard Covey.

Rounding out the squad in doubles will be the team of Chris Barker and John Klemper against that of Richard Covey and David Weiss. These four along with the rest of the squad are determined to make the season a very distressing one for their opponents, while they attempt to bring a second straight City Championship to Uni Hi.

COACH PURSELL

THINCLADS

Under the expert guidance of Coach Jim Pursell, the 1955 track and field forces performed outstandingly in league competition. Possessing strength and depth in almost every event, the team produced standouts in individual events with Glen Small in hurdles, Pete Rodriguez as miler, and Bob Leigh as runner. More record breakers were Dan O'Brien in shot put and Ralph Abrego in the high jump.

SHOW STRENGTH

Uni's twin power came in the hurdles and mile, with Small and Rodriguez starring to top the Dorsey Dons, 53½ to 50½. After the exciting start of the season, the tracksters quickly conquered Venice, Hamilton, and Fairfax. The Venice Gondoliers saw, besides speedy Bob Leigh and Pete Rodriguez, a 12 foot 3 inch pole vault by Terry Kelley, which broke a meet record.

It was Dan O'Brien who added to broken records in the Hamilton meet with his 51.3 shot put. The same week the Braves smashed the Fairfax Colonials, the heartbreaker of all meets climaxed the '55 season. Uni's chances for the title depended on the Los Angeles tussle and all the boys responded. Ralph Abrego high jumped 6 feet 2 inches; Kelley pole vaulted 12 feet 5 inches; Leigh ran the 440 in 51:3 seconds, and Pete Rodriguez broke the school record with a 4:28.2 mile. All these great per-

formances were not enough; the Romans edged the Warriors by six inches in the eight-man relay to win the meet $52 \frac{2}{3}$ to $51 \frac{1}{3}$. Ironically, the time of the mile, 3:03, broke another record.

Such an enviable record by no means came from lack of stiff competition or mere accident, but is due to good material and sportsmanship. As the Chieftain goes to press, the league and city meets are still to be held. Undoubtedly, these contests will bring more praise to Uni through the efforts of the track team.

BILL FULTON HITS STRIDE

GLEN SMALL DISPLAYS ABILITY

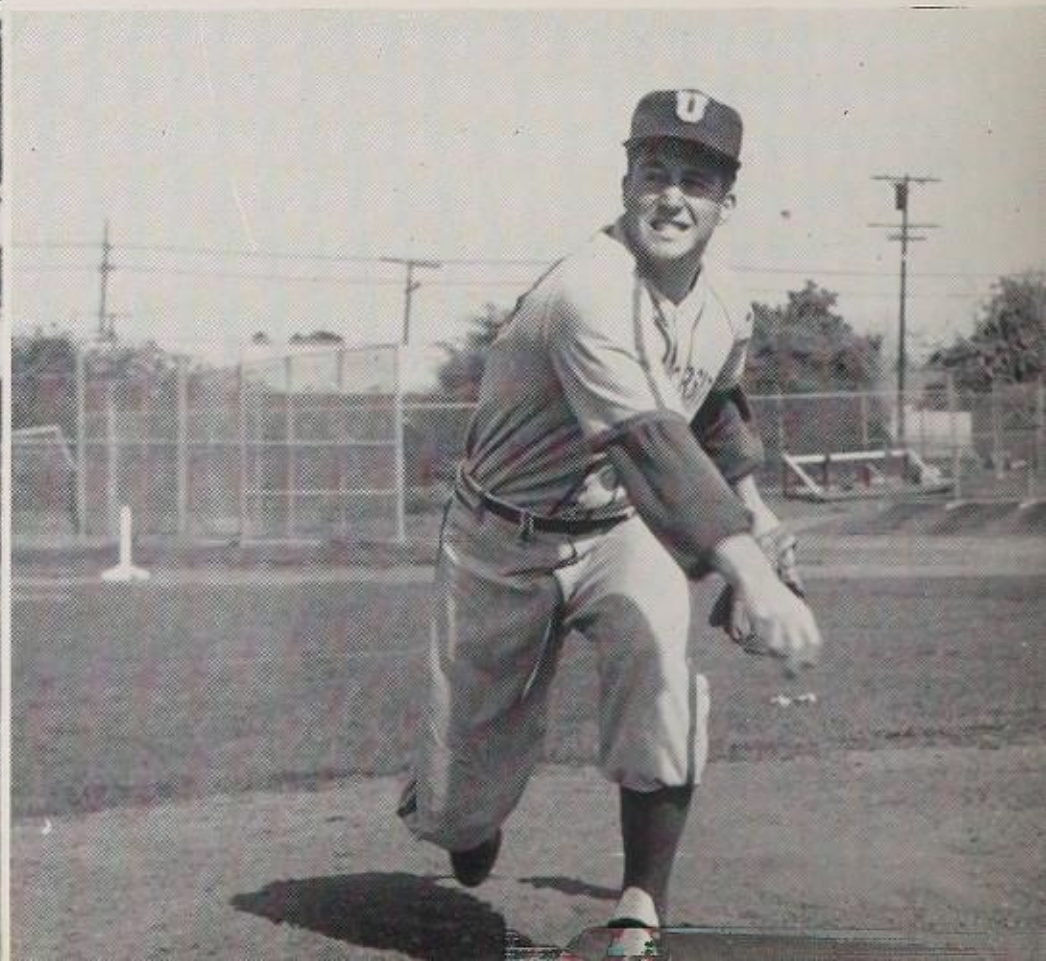

Horsehiders Strive

With the season still young and switches being made in different positions, the Speatermen show promise as a well rounded team.

Tenth graders will dominate the team to an extent. Topping the list is short stop Dan Lasco-witz, who made the all-star Poney League team twice prior to coming to Uni. Backing Dan at short stop is Roger "arkie" Thornton, and behind the plate as catcher is Lynn Fox. Both Roger and Lynn played American Legion ball last year.

For High Score

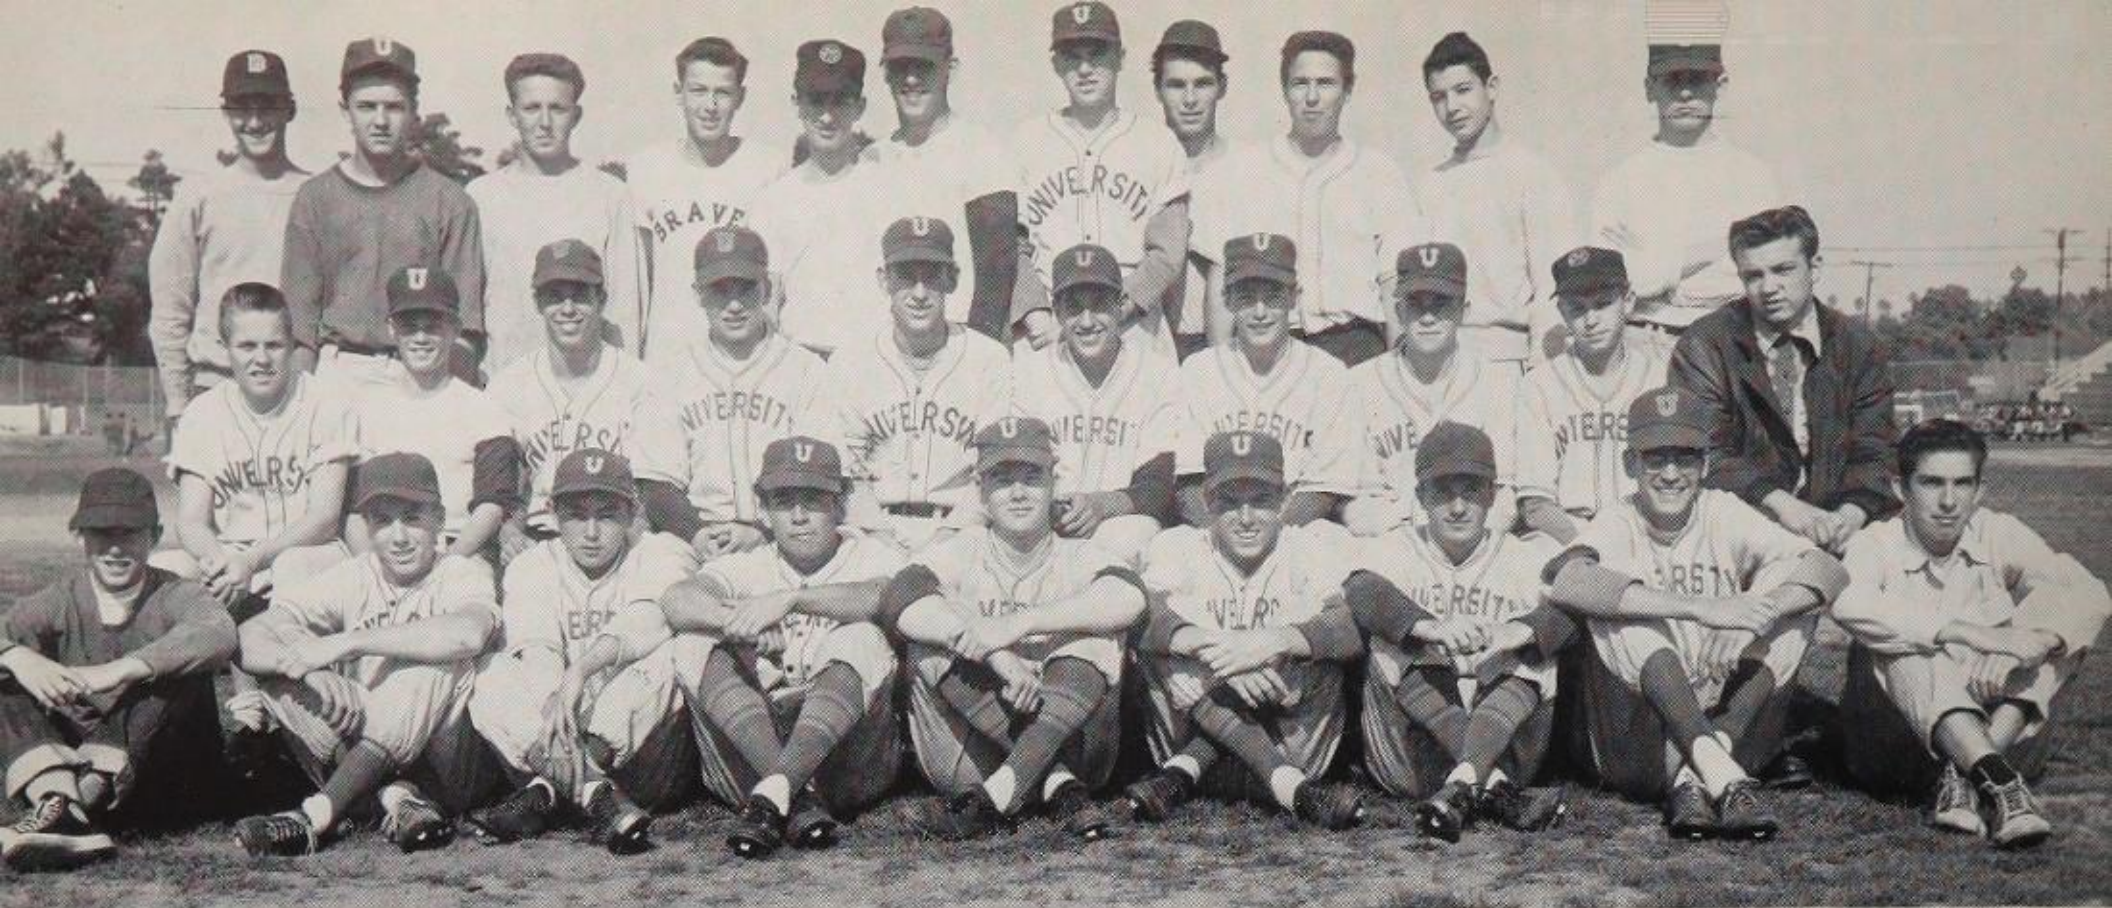

Ronnie Stein up from last years' tremendous J.V. team is filling a key position as the varsity back-stop. Bill Davidson, Norm Forsythe and Terry Meir make up the pitching staff. At first base will be Chuck Royce while Phil Herzog and Joe Stein will alternate for second base. Buzzard Hernandez will occupy third base. In the outfield will be Neil Hurst, Neil Friedman, and Bernard Humphry.

With players such as these we will look forward to an outstanding season for Coach Speater and his fine team.

During the past year the ROTC Battalion has worked hard on its theory and drill, in preparation for the Annual Federal Inspection. Included in the curriculum are manual of arms, marksmanship, weapons, courtesy, leadership, and first aid, as well as the ever present drill.

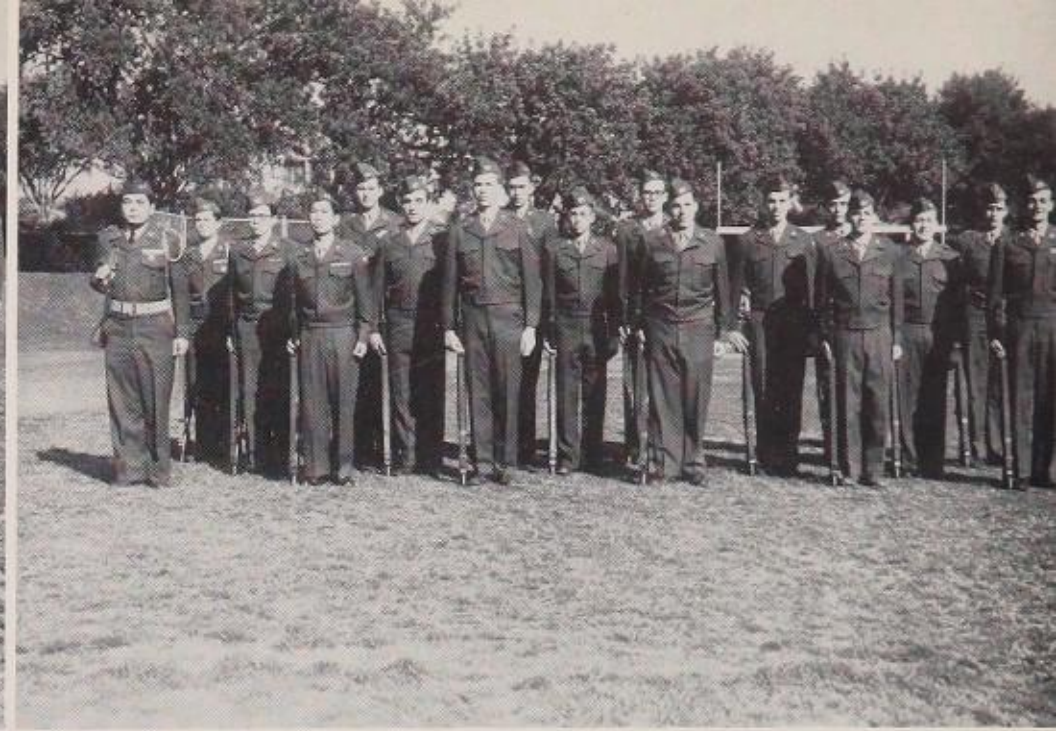

One of the highlights of each semester is the installation of the Co-ed Officers. Candidates are selected, two by each senior problems class; then voted on by the Board of Commissioners to select the school sponsors of the cadet corps. The girls are chosen for their scholastic ability, charm, poise, and appearance. The cadets

vote to determine the rank of each Co-ed Officer. They attend all ROTC functions as student body representatives, adding the feminine touch.

The Drill Team performs on many occasions and for different groups. They make a trip each semester to each of the junior high schools which supply students to Uni-Hi and to the Corps.

The Rifle Team fires in interscholastic, district, area, and national matches; and runs its own challenge ladder. Eight letters were awarded this year, and the competition is keen.

Uni's G.A.A. is growing each semester in popularity and no wonder! Many of the reservation's girls have found that belonging to this organization entitles one to fun and friendship while competing in various sports. Waiting anxiously, the G.A.A. members looked forward to the Mother-Daughter Banquet, a semi-annual festivity during which the election results are announced just before the installation of the new officers. girls who had been members three semesters were awarded their letters. This year the Playdays, both at Dorsey High and Westchester High, will long be remembered as gay events which led to making new friends and furthering good sportsmanship. With their sponsor Mrs. F. Fisher and presidents, Babs Brownyard and Donna Lee Horner, G.A.A. has continually provided a worthwhile activity for all feminine athletes at Unihi.

Coral sweaters and white togas raised the curtain for the Grecians of S'55 in their most active year. With the assistance of their sponsors, Miss D. Hayman and Mr. M. Anisman, they were off to a early start in preparing for their senior activities. The comparison of the modern and ancient times made the Grecian color day an interesting and entertaining experience which was followed by rehearsals for graduation, ending the most unforgettable year for the dynamic Grecians.

Uni Looks Toward The Future

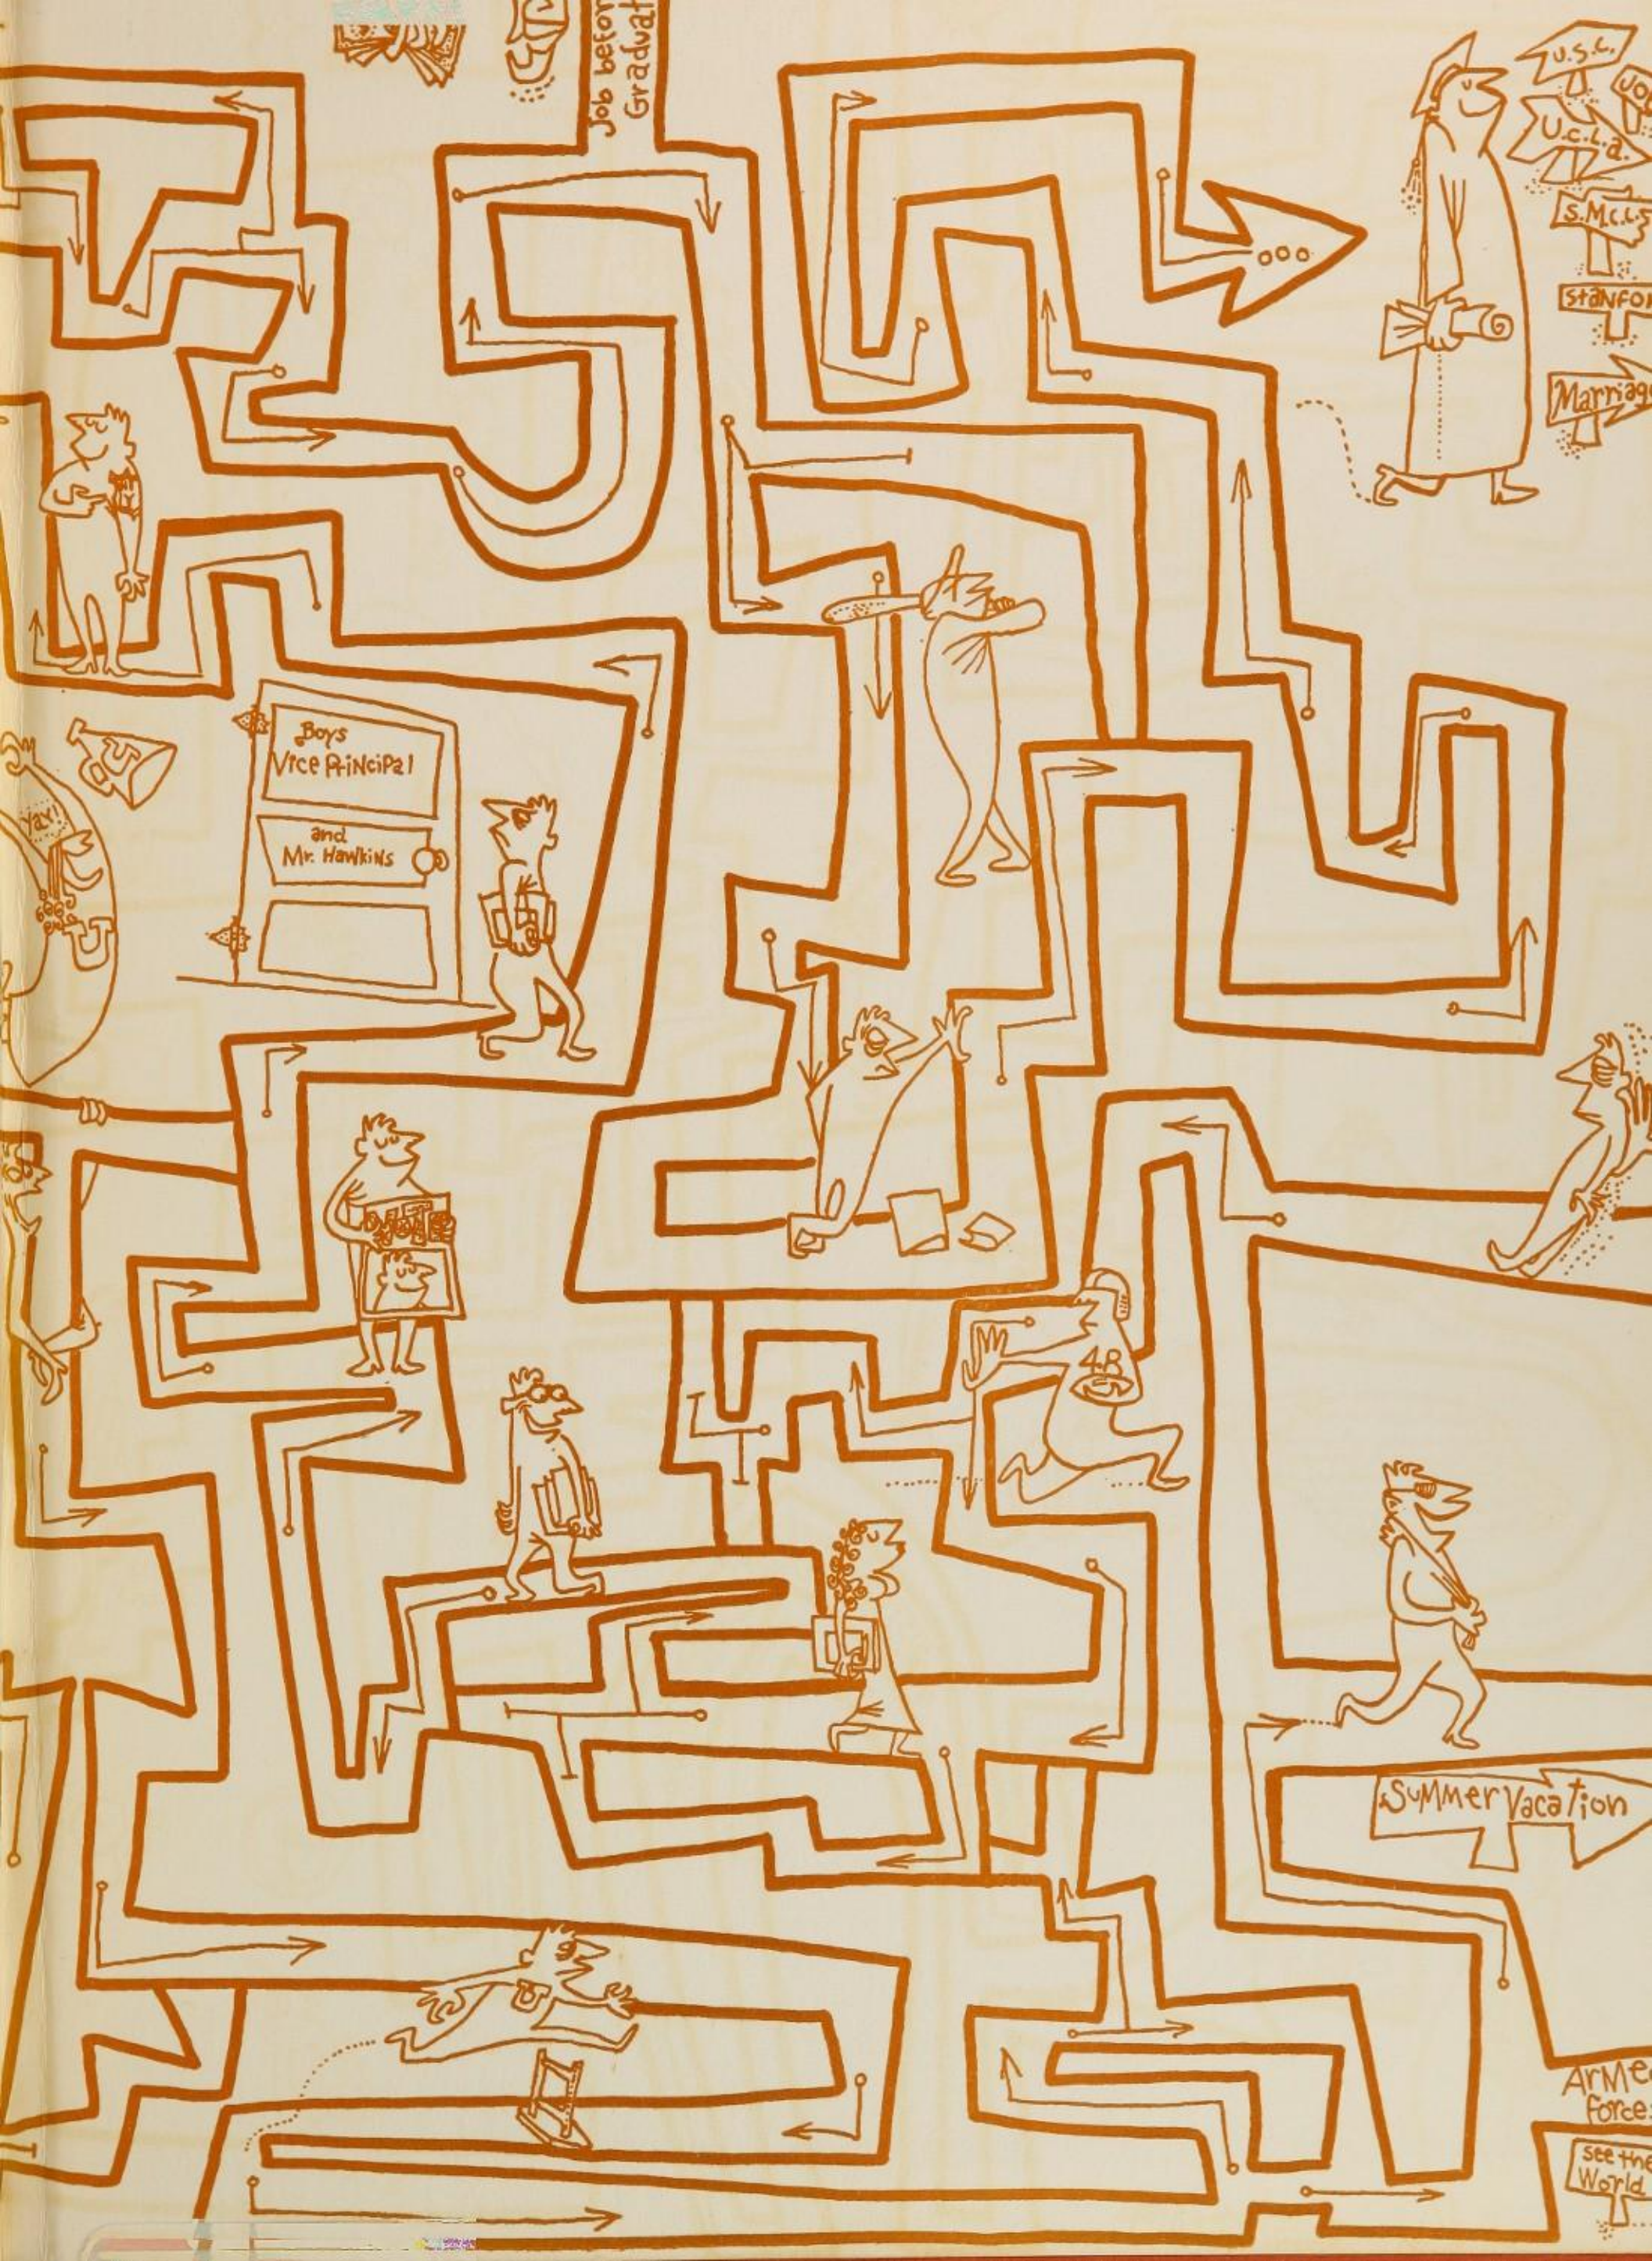

We would like to take this opportunity to acknowledge the time and efforts of all those who have helped make this Chieftain possible. The final printing by the Citizen Print Shop, 536 South San Pedro Street, was made possible by their advice on the type, style, and composition. The Earl Gray Bindery, 1220 Maple Street, made the covers and bound the book. The senior pictures were taken by Mr. Jules La Baron of the Westwood Village Studio, 10961 Weyburn Avenue. A special note of thanks goes to Mr. DeMamiel of the Superior Engraving Company, 1606 Cahuenga Boulevard, for his supervision of the format of the Chieftain. To all these people and our advertisers we say thank-you.
